

Rebates for Recycling & Replacing Appliances

Dreading the thought of getting rid of that pesky old appliance this season? BWL's Hometown Energy Savers® program wants to make spring cleaning simple with rebates for free pick-up and recycling of your still operable appliances. Plus, receive additional rebates with the purchase of qualifying new appliances!

Schedule Your FREE Pick-Up

Some appliances require special care when it's time to throw them out. For example, your refrigerator and freezer contain refrigerants that must be removed by law. Recycling also keeps hazardous materials out of landfills and allows valuable materials like metal to be reused.

Appliances eligible for recycling include:

- Refrigerators (Full Size & Compact)
- Freezers (Chest & Compact)
- Room Air Conditioning Units
- Dehumidifiers

Customers may recycle up to two appliances. For a full list of eligibility requirements, please visit lbwl.com/appliancerecycling and give us a call at **800-573-3503** to schedule your free pickup today.

Upgrade and Save

Outdated appliances are often extremely inefficient compared to newer models. An older refrigerator uses about 35% more energy than a new ENERGY STAR® model. Upgrading your appliances means lowering your energy consumption – and your bills. You can save even

more with Hometown Energy Savers® rebates from \$25 - \$100 for the purchase of select ENERGY STAR qualified washers and dryers, refrigerators and freezers, room air purifiers, dehumidifiers and more! Visit lbwl.com/appliances for a full list of appliance rebates.

Keeping On Together

Are you looking for financial assistance on your bills? Join us on

Wednesday, April 15 from 3-6pm at Alfreda Schmidt Community Center.

To learn more, please visit lbwl.com/shutoffprotection.

LANSING

BWL CONNECTIONS

MARCH 2026

Pennies for Power helps provide shut-off protection for BWL customers who are struggling to make ends meet.

Medical Alert Form

If in-home medical equipment depends on electricity, sign up for our medical alert list. Call 517-702-6006 or go to lbwl.com/medicalalert.

Shut-off Protection

BWL customers at risk of shut-off are now eligible for Federal Low Income Home Energy Assistance Program (LIHEAP) and Michigan Energy Assistance Program (MEAP) funding assistance, and may also qualify for a winter protection payment plan. Seniors 65 and older, and low-income customers who sign up for a winter protection plan, are protected from electric shut-off during the heating season. Additionally, active military customers may be eligible for extended payment arrangements to prevent service disruption. Contact 211 for payment assistance information or the BWL to inquire about a payment plan.

Quarterly Township Engagement Meetings

Please join us for our first quarterly township engagement meeting on **Monday, March 16 at 6pm in Delta Township at 7710 W. Saginaw Hwy, Lansing.** For more information, please visit lbwl.com/events.

**Saturday, April 25
9am-2pm
Ingham County
Health Department**

For BWL Electric Customers
