

Consider Electric This Season

For many of us, spring means allergies - and with all the time we spend outside getting our homes and yards ready for summer, it's no wonder! But mowing the lawn or trimming your hedges doesn't need to be another trigger for your allergies or asthma. Electric lawn equipment produces zero emissions, helping you breathe easier. Not to mention, it's a quieter alternative to traditional lawn care, which is sure to keep your neighbors happy.

Get Hometown Energy Savers® rebates for electric lawn care equipment!

BWL residential electric customers are eligible for cash rebates on electric lawn care items, including:

Electric Lawn Equipment - Residential	REBATE
Riding Lawn Mower	\$100
Push Lawn Mower	\$50
String Trimmer	\$20
Chainsaw	\$20
Leaf Blower	\$20
Snow Blower	\$25

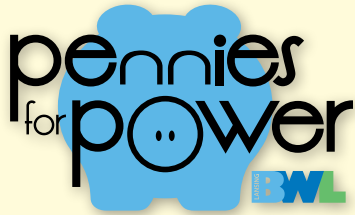

Electric lawn equipment rebates are available for commercial electric customers, too. There's a wide array of household and commercial items with electric counterparts. See the full list of rebates and find 2026 applications at lbwl.com/electrification. To learn more about the Hometown Energy Savers® program, call 800-573-3503 or visit lbwl.com/energysavers.

Quarterly Township Engagement Meetings

Please join us for our second quarterly township engagement meeting on Tuesday, June 2 at the Town Hall Room at the Meridian Township Municipal Building, 5151 Marsh Road, Okemos 48864 from 6-7pm. For more information, visit lbwl.com/events.

Our offices will be closed in observance of Memorial Day on Monday, May 25.

Pennies for Power helps provide shut-off protection for BWL customers who are struggling to make ends meet.

Shut-off Protection

BWL customers at risk of shut-off are now eligible for Federal Low Income Home Energy Assistance Program (LIHEAP) and Michigan Energy Assistance Program (MEAP) funding assistance, and may also qualify for a winter protection payment plan. Seniors 65 and older, and low-income customers who sign up for a winter protection plan, are protected from electric shut-off during the heating season. Additionally, active military customers may be eligible for extended payment arrangements to prevent service disruption. Contact 211 for payment assistance information or the BWL to inquire about a payment plan.

THROWBACK

FACT:

Moores Park Dam

Below is a photo of Moores Park Dam taken on April 6, 1934. The building on the far right is the hydrohouse where hydroelectric power was made years before BWL acquired the property. Check out the Oldsmobile smokestack in the background, too!

For more information about BWL's history, be sure to check out lbwl.com/141.
