Public Employer Contributions to Medical Benefit Plans

Human Resources Committee Meeting

November 7, 2023

Agenda

- PA 152 of 2011, Employer Caps or 80/20 on Healthcare Cost
- Affordability Requirements of the Patient Protection & Affordability Care Act

2011 Public Act 152 - Publicly Funded Health Insurance Contribution Act

- Adopted by the Legislature and signed into law by the Governor as Act 152 of 2011.
- The Act caps the amount a public employer, including municipal utility systems, may pay for employee health care insurance.
- Required public employees to be responsible for a larger portion of their health care cost after September 1, 2012.

PA 152 Components

- The BWL has three options:
 - Comply with PA 152 and limit expenditures on health care cost based on a schedule of dollars provided in the Act using the Hard Cap as updated annually every April; or
 - Limit expenditures on health care cost based on a 80/20 percentage split, requiring a majority vote; or
 - Exempt itself entirely from the Act & choose some other percentage of Premium sharing, requiring a 2/3 vote.

Alternatives to PA 152

The Union contract states that effective November 1, 2012 premium sharing for applicable insurance premium for hospital, medical and surgical, and prescription drug insurance plans will be approved and directed by the Board of Commissioners as prescribed by Public Act 152 of 2011.

Affordable Care Act

Affordability Provisions

- Affordability provision for 1/1/2024 in the Act stipulates Health Insurance premiums cannot exceed 8.39% down from 9.12% in 2023 of the employee's income. This chart on the next page shows the maximum safe Premium Sharing while still complying with the Affordable provision of the ACA.
- In 2024, entities must add Cash in Lieu/Opt Out Waiver pay in affordability calculations unless confirmation of other coverage is done. Under ACA guidelines, it is required that entities count dollars paid for waivers as a lost cost to employees. Therefore, the Cash in Lieu / Opt Out Waiver amount must be added to any premiums being paid by the employees to calculate affordability unless group requires documentation showing other plans enrolled in are not Marketplace plans.
