Important Information

1. Incomplete applications cannot be processed for payment.
2. Applications must be received within **60 days** of purchase and/or installation of measures or December 31, 2020, whichever is earlier.
3. Notification of problems with incomplete applications will be sent via email or U.S. Mail.
4. Applicants will be given **60 calendar days** to respond before application is deemed ineligible.
 - For ENERGY STAR pool pump or ENERGY STAR heat pump water heater rebates, you must provide (1) a copy of the equipment invoice showing date of installation, and (2) specification sheets that clearly state the features and/or efficiency rating of the unit(s), with your application form.
 - For central A/C, central air-source heat pump, and mini/multi-split heat pump rebates, you must provide the AHRI Certificate.
 - For furnace with ECM (AFUE $\geq 95\%$) rebates, the invoice and/or specification sheets must show that the furnace unit has an ECM blower motor.
 - For central A/C tune-up rebates, an invoice must be provided showing date of service and completion of operation and maintenance tune up.
 - Programmable thermostats and smart thermostats must control an HVAC system with central A/C and/or electric heat.
5. A rebate check will be mailed to you for qualified products. Please allow 6 to 8 weeks to receive your rebate check from the time your application is received by the Hometown Energy Savers Residential Program.

Terms and Conditions

This offer is valid only for Lansing Board of Water & Light residential electric customers for a limited time. Offer is good while funds are available and is on a first-come, first-served basis. Program begins January 1, 2020, and ends December 31, 2020. **Completed documentation needs to be received within 60 days of purchase/installation date or December 31, 2020, whichever is earlier.** Offer valid on central air conditioning systems ≥ 15 SEER (SEER rating is without ECM, unless a qualifying furnace is also installed for rebate on this application), central air-source heat pump systems ≥ 16 SEER, mini/multi-split air source heat pumps ≥ 18 SEER, central air conditioning tune up, high efficiency furnace with ECM fan motor (AFUE $\geq 95\%$), ENERGY STAR heat pump water heater (EF ≥ 2.0), and ENERGY STAR pool pump. Register receipt/invoice will be used to verify purchase date and/or installation of qualified equipment. Products must be new and operational. Refurbished products are not eligible for rebates. Rebates not applicable to new construction. Offer redeemable by mail, email or fax. The Lansing Board of Water & Light reserves the right to withdraw or change this offer without notice. Rebates may not exceed purchase price. Ineligible rebates are subject to denial or repayment to program. The program is not responsible for applications lost, damaged or not received. Call 800.573.3503 or visit hometownenergysavers.com to find out more about how you can save energy and money.
