To receive your Cash-Back Incentive:

1. Purchase and install qualified equipment and complete and sign Interconnection Application
2. Attach a copy of the equipment invoice with the application form; showing date of installation, and specification sheets that clearly state the efficiency rating of the unit(s).
3. Include a completed and signed application with all other required materials including documentation showing the model and serial number. Incomplete applications or applications submitted without other required materials will be denied.
4. A check for your incentives will be mailed to you for qualified products. Please allow 6 to 8 weeks to receive your incentive check from the time your application is received by the Hometown Energy Savers® Program.

Terms and Conditions:

This offer is valid only for Lansing Board of Water & Light electric customers for a limited time. Offer is good while funds are available and is on a first-come, first-served basis. Register receipt/invoice will be used to verify purchase date and/or installation of qualified equipment. Offer redeemable by mail, email or fax. The Lansing Board of Water & Light reserves the right to withdraw or change this offer without notice. Rebates may not exceed purchase price(or \$2,000 per site per calendar year). Ineligible rebates are subject to denial or repayment to program. The program is not responsible for applications lost, damaged or not received. For questions contact Patrick Walters at 517-702-6483 or email patrick.walters@lbwl.com.

Solar Electric Systems:

Solar electric modules and inverters must be listed on the California Energy Commission's list of eligible equipment (www.gosolarcalifornia.ca.gov/equipment/index). System owner is required to install a disconnection device and obtain approval for interconnection in parallel with Lansing Board of Water & Light's distribution systems.
